

HOTEL BAUER RESTAURANT

Short distances to the fair, to the city
and to the airport

You'll be staying and meeting in the best location at the Bauer Hotel & Restaurant: it only takes three minutes to get to the Messe München (Munich Fair) or International Congress Center München (Munich International Congress Center) via Münchner Straße. It takes about 20 minutes to get to Franz-Josef Strauß Airport in Erding and the S-Bahn provides a fast and convenient rail connection to downtown Munich.

But most importantly: all roads lead to the Bauer Hotel & Restaurant, no matter where you're coming from. Simply drive off the A99 (East Munich ring road) onto the A94 towards Munich and then exit the Autobahn at Feldkirchen-Ost – if you're coming from Passau, exit the Autobahn at Feldkirchen-West. We're easy to find in the center of Feldkirchen.
